- No open problems or issues to report.
- Our current reserve amount is \$10,894.
- We have signed a contract with GoToMeeting and will use that starting with our January meeting. This allows:
 - Screen sharing on computers or smartphones
 - Mobile apps (download GoToMeeting on the iTunes, Microsoft, and Google stores). Can connect to a meeting and use WiFi (voice over IP) rather than taking up minutes of air time.
 - Desktop apps (can be downloaded from http://support.citrixonline.com/Meeting/all_files/G2M050002#Download). The software components will also be loaded first time you connect to a meeting. If sharing a screen, you will see it. Also, can use your computer's microphone and speakers rather than a phone.
 - Includes a toll-free number when required.
- 2016 Budget has been worked and vetted by the Budget Committee and will be available on the website. To be approved by the general committee at the annual meeting.
