

# Proposed Changes to the USMS Open Water and Long Distance Swimming Rules

In accordance with section 601.1.4, the Long Distance Committee has approved and submits the following 67 proposals for consideration by the House of Delegates at the 2016 Convention:

- Proposals concerning reorganization of Part 3 are LD 3, 9, and 44.
- Proposals of major substance are LD 5a, 22, 25, 27, 29, and 32.
- Proposals of some substance are LD 1, 10, 11, 12, 14, 16, 21, 24, 26, 31, 35, 36, 40, 46, 52, 57, and 67.
- Housekeeping proposals (corrections and non-substantive language improvement) are LD 2, 4, 5b, 6, 7, 8, 13, 15, 17, 18, 19, 22, 23, 28, 30, 33, 34, 37, 38, 39, 41, 42, 43, 45, 47, 48, 49, 51, 52, 53, 54, 55, 56, 59, 60, 61, 62, 63, 64, 65, and 66.

<b>LD 1</b>	<b>301.2.1</b>		page 63	<b>Long Distance Committee</b>		
Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn	

**301.2.1 Open Water Guide to Operations**—~~The Open Water Committee shall maintain the A-Open Water Guide to Operations shall be developed and published~~ for the use of USMS open water officials and event hosts. The guide shall contain the manner of implementation, governing policies, and management of the rules applying to open water swims ~~shall be contained in this guide.~~

*Rationale #1: This proposal places the responsibility for the OWGTO with the Open Water Committee in alignment with current practice.*

*Rationale #2: Better rules language (active voice).*

<b>LD 2</b>	<b>301.2.2</b>		page 63	<b>Long Distance Committee</b>

**301.2.2 Postal Guide to Operations**—The Long Distance Committee shall develop and maintain a ~~USMS~~ Postal Guide to Operations. The guide shall contain the manner of implementation, governing policies, and management of the rules applying to postal swims ~~shall be contained in this guide.~~

*Rationale: Unnecessary word and better rules language (active voice).*

<b>LD 3</b>	<b>301.3, 301.3.1, 301.3.2, &amp; new 307.4</b>		page 63	<b>Long Distance Committee</b>

## **301.3 MEMBERSHIP, REPRESENTATION AND SANCTIONS**

Membership, representation and sanctions for open water and long distance events shall be governed by all applicable rules under articles 202 and 203. ~~In addition, the following administrative rules apply:~~

~~301.3.1 Swimmers with one event registrations shall not be eligible to compete in open water and postal national championships, nor shall they be eligible for records, All-American status or any other USMS special awards.~~

~~301.3.2 All swimmers in national championship postal events must be currently registered members of USMS or a FINA member national governing body on or before the day of their swim.~~

**307.7.4 Eligibility**

A Swimmers with one-event registrations shall not be eligible to compete in open water and postal national championships, nor shall they be eligible for records, All-American status or any other USMS special awards.

B All swimmers in national championship postal events must be currently registered members of USMS or a FINA-member national governing body on or before the day of their swim.

*Rationale: Reorganization (the content in this proposal has been moved verbatim to new 307.7.4 so that eligibility for national championship events is defined in the national championship section of the rules). Renumber after.*

<b>LD 4</b>	<b>301.4</b>		page 63	<b>Long Distance Committee</b>		
Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn	

**~~301.4 LIABILITY RELEASE~~**

~~Entry forms shall contain the exact language of the liability release according to article 204.~~

*Rationale: Redundant (this requirement is already listed in 204.1). Renumber after.*

<b>LD 5a</b>	<b>301.5, 301.5.1, &amp; 301.5.2</b>		pages 63-4	<b>Long Distance Committee</b>

**301.5 AGE DETERMINING DATE**

~~301.5.1 In an open water and postal swims, the eligibility of a swimmer shall be determined by the age of the swimmer as of the last day of the event on December 31 of the year of competition, except for 18-year-olds, who must be 18 on the day that they swim.~~

~~301.5.2 In a postal swim, the eligibility of a swimmer shall be determined by the age of the swimmer as of the day of the swim.~~

*Rationale: Age determining dates are always somewhat arbitrary, with some swimmers apparently gaining and others apparently losing. To sidestep that endless debate, this proposal to move the age determining date to December 31 focuses on several other benefits for open water and long distance swims, which include...*

- 1. Aligning the USMS rule with the FINA rule;*
- 2. Aligning the USMS rule with the rule for USA-Triathlon, reducing confusion for crossover participants;*
- 3. Eliminating the possibility of double-participation (and double-scoring) from the postal swims; and*
- 4. Simplifying and speeding up the annual compiling of the USMS Long Distance All-Star Team list.*

Note: If LD 5a passes, 307.2.3G will be struck as unnecessary.

<b>LD 5b</b>	<b>301.5.1 &amp; 301.5.2</b>	pages 63-4	<b>Long Distance Committee</b>

**301.5.1** In an open water swim, the eligibility of a swimmer shall be determined by the age of the swimmer as ~~of~~ on the last day of the event, except for 18-year-olds, who must be 18 on the day that they swim.

**301.5.2** In a postal swim, the eligibility of a swimmer shall be determined by the age of the swimmer as ~~of~~ on the day of the swim.

*Rationale: Better grammar.*

*Note: If the HOD approves LD 5a, the second proposal becomes moot.*

Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn

**302.1.2** At the discretion of the event director, open water events may include clinics or other swimming activities ~~may be included as part of open water events.~~

*Rationale: Better rules language (active voice).*

<b>LD 7</b>	<b>302.2.1</b>	page 64	<b>Long Distance Committee</b>		
Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn

**302.2.1 The Course**

**A** The event ~~director~~ host shall determine the course and type of start and finish.

**B** The event host ~~course shall be measured and marked~~ measure and mark the course as accurately as feasible.

**C** The event host should eliminate or mark ~~H~~ hazards on the course should be eliminated or marked wherever possible.

*Rationale: Better rules language (active voice and consistent language).*

<b>LD 8</b>	<b>302.2.4B</b>	page 65	<b>Long Distance Committee</b>		
Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn

**302.2.4B** Turn buoys shall be directional, and passed on the right or left as stated in the pre-swim instructions.

*Rationale: Housekeeping. The word "buoy"—without which this article makes no sense—was inadvertently omitted.*

**LD 12**      **302.5.2 & 302.5.3**      page 65      **Long Distance Committee**

Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn
---------	---------	----------	-----------------	--------	-----------

**302.5.2 Time/Distance Basis**—A specified number of swimmers on each relay shall be considered in the computations for club scoring. The relay whose specified number of swimmers has the lowest cumulative time or the greatest cumulative distance shall be declared the winner. A similar method shall be used to determine second, third and subsequent places. ~~In the event of a tie, the relay with an individual member with the fastest or farthest swim shall be declared the winner or awarded the place.~~

**302.5.3 Point Basis**—Points are awarded on the basis of overall finishing position, with one point for first place, two points for second place, etc. The points of specified relay members are added, and the lowest cumulative score determines the winning relay; the second lowest score, the second place, etc. ~~In the event that two or more relays score the same number of points, the relay with the individual member with the fastest or farthest swim shall be declared the winner or awarded the place.~~

*Rationale: This rule is a hold-over from an old form of team scoring, and should not apply here. A tie is a tie! This proposal would be consistent with all other USMS rules, which contain no provision to break a tied finish.*

---------	---------	----------	-----------------	--------	-----------

**302.6.1** Relays shall consist of two or more swimmers from the same USMS-registered club as specified ~~on in the entry form information from the same USMS-registered club~~. The relay members shall rotate in the same order throughout the event. The time or distance each swimmer is required to spend in the water shall be specified ~~on in the entry form information~~. The changeover to the new swimmer shall be made within one minute after the completion of the previous swimmer's leg. In the exchange in open water relays, physical contact must be made between the two swimmers.

*Rationale 1: More general language, acknowledging that many events now use only online entries rather than entry forms.*

*Rationale 2: Better grammar (properly placed modifying phrase, also paralleling 302.5.1)*

**B** ~~For competitive swims, s~~Separate scoring divisions may be contested at the same time, with results tabulated separately.

**C** If awards are given ~~for competitive swims~~, they shall be of equal value for men and women.

*Rationale: Redundant: the word “competitive” is unnecessary in 303.1.1 because this article is in a section headed by “competitive” events (see 303 title).*

If the escort craft becomes disabled or cannot continue to accompany the swimmer, the swimmer may stay in the water near the disabled escort craft until a replacement arrives, join another escort craft that is accompanying only one other swimmer until another escort craft arrives or exit the water.

*Rationale: Housekeeping (the word “craft” was inadvertently omitted from the text, and should be reinstated).*

---------	---------	----------	-----------------	--------	-----------

**303.3.5** In any swim in which individual escorts are required and motorized escorts are allowed, ~~receiving assistance by any~~ drafting is prohibited. Swimmers must attempt to remain 3 meters or more from other swimmers, except when rounding buoys, when overtaking other swimmers when space is not readily available, when unescorted at the start and finish of the swim, and when the swimmer's escort craft becomes disabled as per articles 301.3.1 and 303.3.4. Incidental or accidental incursion into the 3-meter zone of another swimmer shall not be the basis for disqualification.

*Rationale: Redundant phrase. See also 303.9.6.*

**303.5.1** When practical, swimmers shall be seeded by their 1500 meters/1650 yards times. The manner of seeding swimmers without times shall be at the discretion of the event director, as stated in the event ~~entry sheet~~ information.

**303.6.4 Backup timing and judging**—In open water swims in which electronic chip timing is used, an independently operating backup timing and judging system is required.

*Rationale: To ensure that all swimmer performances are registered, backup timing and judging should be required if the chip timing fails.*

**303.7.2 Rules for Category I Swimwear for Open Water Events**

**B** The swimmer shall wear only one swimsuit in one or two pieces. All swimsuits shall be made from textile materials, and not contain clasps or zippers. For both men and women, the swimsuit shall not cover the neck and shall not extend past the shoulder nor below the ankles.

*Rationale: This proposal aligns the USMS Category I swimwear rule with the FINA rule. All Category I swimwear would bear the FINA swimwear stamp, helping officials at USMS events sort swimmers into appropriate swimwear categories quickly and accurately.*

**303.7.2C** Exemptions to the restrictions in articles 303.7.2A-B may be granted to a swimmer, on a case by case basis, by the chair of the Long Distance Committee or designee. Exemptions will be granted only for conflicts due to the swimmer’s verified religious beliefs or verified medical conditions.

- (1) Procedures for applying for an exemption will be published by the Long Distance Committee and posted on the USMS website.
- (2) No exemptions ~~to these restrictions~~ will be granted for swimwear that would give a swimmer a competitive advantage.

**303.8.1** ~~There shall be an event director, referee, and safety director. The position of safety director shall not be combined with the duties of any other official or staff member.~~

There shall be an event director, safety director, and referee.

**A Event Director**—The event director is responsible for the overall operation of the event.

The event director shall be responsible for:

- (1) Securing the sanction and permit(s) for the event.
- (2) Determining the course.
- (3) Recruiting and approving personnel assignments for all event staff.
- (4) Ensuring that the necessary staff for the conduct of the event are at their respective posts.
- (5) Advising the referee to modify the manner in which the swim is conducted, change the course and/or distance, delay the start, and/or stop a swim in progress if circumstances warrant.
- (6) Cancelling the swim if circumstances warrant.

**B Safety Director**—The safety director is responsible for overseeing all aspects of event safety. The position of safety director shall not be combined with the duties of any other staff member or official. The safety director shall be responsible for:

- (1) Completing and complying with the approved safety plan
- (2) Checking that the entire course, especially the start and finish areas, is safe and free of obstructions.
- (3) Arranging that sufficient suitable water craft, equipment, and safety staff are available

during the swim.

(4) Briefing and assigning safety staff.

(5) Advising the referee to modify the manner in which the swim is conducted, change the course and/or distance, delay the start, and/or stop a swim in progress if circumstances warrant.

**C Referee**—The referee is responsible for the fair conduct of the swim. The referee...

(1) Shall have authority over all officials, instruct and assign officials, enforce all applicable rules, decide all questions related to the conduct of the swim, and adjudicate protests.

(2) Shall ensure that all swimmers are briefed about safety procedures, the course, site-specific rules, and other necessary information about the conduct of the swim.

(3) Has the authority to bar, remove, or take other appropriate action with any swimmer who acts in an unsportsmanlike or unsafe manner within the swimming venue.

(4) Has the authority to disqualify any swimmer violating event or USMS rules or safety procedures.

(5) Has the authority to modify the manner in which the swim is conducted, change the course or distance, delay the start, or stop a swim in progress if circumstances warrant.

*Rationale: This proposal defines the responsibilities of the major officials within the rules. See also proposed 303.12.1.*

**303.8.2** There shall be additional officials and staff in numbers sufficient to operate the event in accordance with USMS open water rules and administrative regulations ~~and may include scorer, announcer, clerk of course, starter, judges, inspectors, timers, safety and medical personnel.~~

*Rationale #1: Adding “and staff” is a more inclusive heading, as all personnel at an event are not technically officials who are overseen by the referee. See also LD 26.*

*Rationale #2: The last phrase “and may include...” is redundant, and perhaps dangerous as it might be interpreted to imply that safety and medical personnel are optional.*

Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn	

**~~303.8.3 Independent Safety Monitor~~**

~~A An Independent Safety Monitor shall be approved by the LMSC sanctioning officer and shall be independent of the event organizing body.~~

~~B The Independent Safety Monitor shall be present at the event to assure that the approved safety plan is implemented and that adequate safety precautions are in place for existing conditions.~~

~~C The Independent Safety Monitor shall have the authority to revoke the sanction on the day of the swim if adequate safety precautions are not in place, and shall notify all participants of the — revocation before the beginning of the swim if the event organizer proceeds with~~

~~the swim.~~

*Rationale: The Independent Safety Monitor rule was intended to enhance the safety of USMS sanctioned open water events. In theory this rule seems reasonable, but in practice in it has been problematic, requiring an extra required official, challenging LMSCs to find & train them, and creating extra expense—sometimes substantial—for travel and lodging. Since the rule was passed in 2014, factors have changed or are in process that makes the ISM unnecessary and will provide a more streamlined path to the same end. Those factors include: 1) increased awareness and responsiveness to safety needs by LMSCs and event hosts through the sanction process; 2) improvement in safety training for Safety Directors, Referees, and other event officials; and 3) proposed upgrades to the OWGTO to provide more clarity and information for running events. Point #1 is clearly evident in the reports from our 2015 & 2016 ISMs. Points #2 and #3 are being developed and will be in place for the 2017 open water season.*

**303.10.1** The referee may modify any rule and the event director may modify any ~~rule or~~ race management procedure for a swimmer who has a disability. Any such modification shall affect only the current event and does not set precedent.

**303.10.3 Responsibilities**

**B Referee or eEvent director**—The referee or event director shall devise such modifications that allow the swimmer to participate as long as they conform to safety requirements. No modifications shall be granted that will give a swimmer a competitive advantage.

*Rationale: Only the referee should have the authority to modify rules for swimmers with disabilities (in line with referee authority in 108.1.1), but event directors should have the authority to modify race management procedures that are not stipulated in the rules.*

~~**F** The age of the youngest relay member determines the age group of the relay: 18+, 25+, 35+... 95+.~~

*Rationale: Redundant with 303.1.3B and 307.2.3B. Renumber after.*

---------	---------	----------	-----------------	--------	-----------

**G** A swimmer who ages up during the duration of an postal event and swims the individual event twice may swim on one same-gender and one mixed-gender relay ~~in each~~ on separate age group relay teams.

*Rationale 1: This clarifies that this rule applies only to postal events, as it is impossible for a swimmer to 'age up' in an open water event according to 301.5.1. [BB]*

*Rationale 2: This clarifies the original intent of the rule not to allow one swimmer to swim twice on the same relay team.*

*Note: If LD5a passes, 307.2.3G will be struck as unnecessary.*

**307.4 CONTRACT**

~~A~~ Representatives of the host organization that is the successful bidder of an open water and long distance championship event shall sign a written contract with USMS, which specifies the responsibilities of the event host and of USMS.

*Rationale: Aligns rule with current practice.*

**307.5.1 C** A fee per individual entrant in the championship swim event ~~(or a fee per individual entrant in each championship swim in an event with multiple championship swims)~~ and a performance bond shall be determined by the Long Distance Committee and paid to USMS. All or a portion of the performance bond shall be returned to the host organization, based upon compliance with the conditions set forth in the event contract.

*Rationale 1: Events with championships swims often have other swims too. This clarifies financial responsibilities for open water championship events that include non-championship swims.*

*Rationale 2: The original rule was written before USMS held open water events with multiple championship swims. This proposal updates and clarifies financial responsibilities for open water events with multiple championship swims.*

**307.7.2 Entry Forms**— A Long Distance Committee representative and an LMSC representative shall review ~~Entry forms, including paper forms and forms used in the online entry system, shall be reviewed by a Long Distance Committee representative and the LMSC for content and sanctioning before distribution in accordance with the USMS contract.~~  
*Rationale: Better rules language (active voice and elimination of redundant phrase).*

**307.7.3 B** For open water events, a turn judge shall be located at each change of direction in the course. The turn judge shall:  
(1) Be positioned ~~on shore or on the water~~ in clear view of the turn to ensure that all swimmers complete the turn as indicated in the ~~competition~~ event information ~~documents~~ and as directed at the pre-race briefing,  
*Rationale #1: Better rules language (elimination of unnecessary phrase and consistent rules language).*

**307.7.6 Swimwear**  
**A** Only swimmers wearing category I swimwear as defined in articles 303.7.1 and 303.7.2 may compete in national championship swims.  
**B** At the discretion of the event director, swimmers wearing category II swimwear as defined in articles 303.7.1 and 303.7.3 may participate in ~~events containing~~ national championship

swims, but shall be excluded for the purposes of articles 307.8 through 308.1. In addition, category II competitors shall have a separate start time

*Rationale: Redundant words, clarifying intent of the rule as implied in the last sentence of the rule.*

**307.8.2** Relay results shall be tabulated electronically by gender and age group in order of finish. Women’s results shall be shown first, followed by men’s results, then mixed-gender relays last. For each relay, the following information must be reported in the order designated on the results forms in the championship packet for that event:

- A Age group place
- B Team’s full name (USMS club followed by blank, A, B, etc.)
- C Official time/distance for the team
- D Names, ages and official time/distance for each member of the team.
- E Special information (national records, overall place, place among gender, etc.).

*Rationale: Aligns rule with current practice, and parallels information in 307.8.1G.*

<b>LD 56</b>	<b>307.9.1</b>		page 79	<b>Long Distance Committee</b>

**307.9.1 Scoring**

- A Club scoring for the one-hour swim postal national championships shall be calculated based on total club yardage for individual swims.

**307.9.1 Scoring**

- B Club point scoring for the 3000 and 6000-yard and 5 and 10-km postal national championships shall be calculated ~~based on using a predetermined~~ formula, approved by the Long Distance Committee, ~~to fit based on percentage of time differences~~ from the age group national record times ~~for each gender~~.

*Rationale: Better rules language (improved clarity).*

<b>LD 58</b>	<b>307.12</b>		page 80	<b>Long Distance Committee</b>

**307.12 ALL-STAR TEAM**

A USMS All-Star Team shall be selected each calendar year from the official results of the USMS

compliance with articles 307.2.3, 307.7.3B and 307.7.6A of the USMS rule book USMS rules.  
*Rationale: More inclusive rules language.*

<b>LD 64</b>	<b>308.1.6 &amp; 308.1.7</b>	page 81	<b>Long Distance Committee</b>		
Action:	Adopted	Defeated	Adopted/Amended	Tabled	Withdrawn

**308.1.6** ~~Long distance~~ National records for cable swims may not be established by using a swimmer’s split time in an individual event.

**308.1.7** ~~Long distance~~ National records for postal swims may be established by using a swimmer’s split time in an individual event if:

- A** The split is swum as an initial distance within an event,
- B** The swimmer completes the full distance of the event,
- C** The intent to record a split time is brought to the attention, in writing, of the event director at the time of entry in the longer event, and
- D** At least two dedicated handheld watches are used to record the record split.

*Rationale: Redundant phrases.*

Replace “host” for “director” or “organizer” in 302.1.2, 302.1.3, 302.2.1A, 302.5.4, 302.6.3, 303.1, 303.2.1, 303.4.1C, 303.5.1, 303.8.3C, 303.10.3, 304.1.1, 304.1.3, 305.3.1, 306.9.2, 307.7.1, 307.7.3A, 307.7.6B, 307.9, 307.9.3, and 307.11.3

*Rationale: Properly speaking, the duties and responsibilities in each of these articles belong to the event host, for whom the event director is usually (but not always) the acting agent. Therefore, this change provides more precise rules language than the previous language.*

<b>LD 66</b>	<b>Multiple Articles #2</b>	pages 64-73	<b>Long Distance Committee</b>

Replace “composed” for “comprised” in 302.1, 302.1.1, 302.5.1, and 305.4.

*Rationale: According to our style book, “comprised” is incorrect usage; “composed” is correct usage.*

<b>LD 67</b>	<b>Glossary</b>	page xiii	<b>Long Distance Committee</b>

Event Host: The organization that has been granted a sanction to conduct an open water event.

*Rationale: The terms “host”, “director”, and “organizer” have been used loosely throughout Part 3, often in ambiguous ways. This proposal clarifies that a “host” is an organization, not an individual. In other proposals, the LDC has made a concerted effort to clarify responsibilities consistently for the host and for specific individual positions.*
